Ghana Bible Students

It is good to gobut it's always great to be back. I'm so thankful for the opportunity to be able to share my gift in Ghana with the students but also the directors of the Bible College. This college is at a critical time in its history as some transitional decisions are being made that will affect the long term impact of the ministry to this nation.

It was a pleasure to meet Alex and Denise Asirifi and get to know them and share some of the insight I have regarding where they are in developing the college and as they are also preparing to build a building. I am excited about what the future holds for this great couple and all that God has in store for Ghana.

Pastor Alex was very gracious to help me on the final Sunday of my visit. I spoke for their church but experienced a challenge as I for the first time in thirty years completely lost my voice. I am not sure why but it was gone and I could only whisper. Alex graciously repeated my message and read my scriptures for me. I have since recovered and very thankful to God for a voice to teach and preach the gospel of His peace.

Thank you to our partners who are faithful in the supply of gracious financial gifts and spiritual support through prayer and supplication that makes great power available for the work we have been given responsibility to accomplish.

Together we are reaching the four corners of the earth the light of the gospel peace!

PLEASE CONSIDER PARTNERSHIP WITH US IN THE POWER OF GOD'S PURPOSE!
