

By the time you read this I will be on the other side of the planet standing in the answers to the prayers you have prayed. As we have united ourselves to trust the Lord to lead, guide and provide, and then take action, we are stepping into the path God has set before us. Although we often go to the same nations, we still trust and believe in His providential plan to be accomplished.

When we pray, it is not uncommon to repeat the Lord's model prayer, as we ask for His kingdom to come, and His will be done on earth as it is in heaven. The will of God is for all men to be saved and come to the knowledge of truth. Jesus is that truth and that life that God desires for everyone to experience.

People are the objective of God's eternal purpose. There is a lot of great things to see and experience as we travel this world but ultimately the mission is about building the Kingdom of God that is made up of people. Jesus didn't give His life to establish a political party or to make a covenant with a nation. Jesus died for every individual that makes up the world's population past, present and future.

*"Ask of Me, and I will give You The nations for Your inheritance,
And the ends of the earth for Your possession." [Psalm 2:8]*

By esteeming His opinion as the highest and most important, we are together undertaking to invest eternal truth and values into what matters the most, which are the lives and ministries of God's people. Spiritual leadership development is far more effective than social programs if they are not linked to evangelism and discipleship.

"Go therefore and make disciples of all the nations, [Mat 28:19]

I am privileged this month to return to Zambia, the first of three trips to this great nation. I will be teaching at Rhema Bible Training Center and speaking at Miracle Life Family Church. I have come to know that whatever God calls us to accomplish we are not able to do it ourselves. Cindy and I appreciate your partnership in this work. Together we are developing others in effective ministry, as we labor to form Christ in them. As always, your prayer is appreciated, and we are so thankful for your financial partnership that makes the impossible possible. Together we are investing in the lives of the next generation of pastors and leaders in the nations of the world and for this journey the nation of Zambian.

Together we are reaching the four corners of the earth with the light of the gospel!

PLEASE CONSIDER PARTNERSHIP WITH US IN THE POWER OF GOD'S PURPOSE!
