

I am very excited to return to the nation of Thailand this month. The last time I was physically present was twenty-nineteen. I will fly into Bangkok after traveling for two days. Then I will travel by road with the director of Rhema Bible Training Colleges Thailand, Keith Higgenbotham to Mae Sot. This is a boarder city with Myanmar. The students at this campus are Burmese speaking and the majority of them are from Myanmar. Following the teaching of my subject, I will be honored to speak for the commencement ceremony for the graduation of this campus.

I do not know how many of these students will return to Myanmar, but I am hopeful that many will. I have a strong desire to return to Myanmar to teach there again in person.

Myanmar remains somewhat closed as a result of the military junta's oppression and the conflict of civil war that is ongoing since they took control in the coup. It is fast approaching a failed state.

It has become a haven of organized crime that produces a large percentage of the drugs that afflict the region of Southeast Asia as well as the United States. Even worse, it is prolific in human trafficking.

There is a great need for the gospel in all of the world. Only through the power of the gospel will we see a true and lasting reversal of the oppression that is populated in these places.

I trust that the flames of the "Great Awakening" that is taking place in America will spread and impact the world. No one would question we are in the last days. But many do not believe that there will be a resurgence of faith. I however hold the view that we are going to see a great harvest that will surpass what has been seen in the past.

Thank you to our partners who are helping us disciple the nations.

Together we are reaching the four corners of the earth with the light of the gospel!

PLEASE CONSIDER PARTNERSHIP WITH US IN THE POWER OF GOD'S PURPOSE!
