

GOSPEL TRAINING INTERNATIONAL

Soon after my trip to Zambia as I was just getting over jet lag, I began teaching via zoom a course to Burmese speaking students.

Interestingly, some were living in Burma, and others in two separate cities of Thailand. Many of them have been displaced by the resurgence of the "Military Government" that staged a coup d'état soon after the general election of 2021.

My heart goes out to the people of Myanmar (Burma) who are being oppressed and persecuted by this evil influenced group of people.

"When the righteous are in authority, the people rejoice: but when the wicked beareth rule, the people mourn." [Pro 29:2 KJV]

In our present cultural and political climate in the United States, the freedoms we have enjoyed to move freely and speak freely are under siege. It is imperative that we now more than ever arise and shine with

Be patient therefore, brethren, unto the coming of the Lord. Behold, the husbandman waiteth for the precious fruit of the earth, and hath long patience for it, until he receive the early and latter rain. [James 5:7 KJV]

the "Good News" of Jesus. Independent of a great awakening our nation would be destined to suffer a similar fate of cultural, economic, and spiritual collapse.

I remain convinced of better things for our nation and the world. The great harvest of the end times has begun and we must be about our Father's business.

It is my assignment to equip the saints to do the work of ministry and build the Body of Christ. Every class and subject I teach is another group of men and women who have responded to the call of God into the ministry of reconciliation. Our partners are investing in the laborers that are being sent into a great harvest

Together we are reaching the four corners of the earth with the light of the gospel!

PLEASE CONSIDER PARTNERSHIP WITH US IN THE POWER OF GOD'S PURPOSE!
